## Continuation of 4(e) Other:

The amendment to the claims does not appear to make amendments to the version of the claims that was filed on 17 July 2007. This appears to be the last amendments made to the claims, and any amendments made should be made based on these amendments. On line 8 of claim 1 the applicant is deleting the word "to" and replacing it with --with-. The word "to" does not appear in this position in the amendment filed on 17 July 2007. On line 11 of claim 1 the claim contains the phrase "the reference documents". The "s" on documents appears to be deleted with strikethrough text in the amendment dated 17 July 2007 so the phrase should read --the reference document--. On line 7 of claim 8, the applicant is deleting the word "to" and replacing it with --with-. The word "to" does not appear in this position in the amendment filed on 17 July 2007. The amendments being made in this manner are confusing the prosecution history, and should be corrected.
